December Field Trip

By Jennifer Schmahl

Please join WAS as our President Jennifer Schmahl leads us on our annual Bill Bell Bird Walk. Bill Bell was a long time columnist at the Whittier Daily News and we hosted an annual walk to show him and our community members the avifauna we have right here in our backyard. We continue the annual walk in his memory for our December outing.

We will bird the Nature Center grounds and along the San Gabriel River to see what Winter residents and visitors are here.

Meet at the Whittier Narrows Nature Center parking lot — 1000 Durfee Ave, South El Monte, CA 91733 (626) 575-5523 — on December 19, 2105, at 8:00 am. Our walk will end at 10:00am.

Following our walk, WAS and the Nature Center will host a get together in the Nature Center hospitality room with warm drinks and baked goodies. Rain cancels.

Antelope Valley Field Trip

In what has become something of an annual tradition, Larry Schmahl will lead a field trip to the Antelope

Valley on January 3, 2016. No details as of yet, but expect to depart Whittier bright and early in the

morning. Also expect blustery and cold weather up in the valley. But the Ferruginous Hawks are worth it!
