GUIDED BIRD WALKS AT SYCAMORE CANYON

We are now leading beginner bird walks once a month on Saturday mornings at Sycamore Canyon. These will be leisurely walks through our Whittier Hills looking for our local specialties. Meet at the parking lot at the trailhead at 5030 Workman Mill Road. Turn right on driveway north of Beverly Blvd. just before Rose Hills. We start at 7:00 AM in September, October and November and April, May and June – all other months start at 8:00 AM. Be prepared for a 2 to 4 hour walk – bring binoculars, water and sun protection. Rain cancels. For more information, contact Steve Huber (562) 217-1886.
